

Dear Staff,

ClickView has many ways it can help you deliver Remote Teaching.

- Premade Question sheets for all ClickView produced titles
- Premade Interactive lessons for all ClickView produced titles
- The ability to make Interactive lessons for any video
- The ability to make Clips from any video
- Create your own videos & share these
- Plus more!

ClickView titles are linked to the Victorian Curriculum codes. You can also add relevant codes to any other video.

Use the search engine on the Dashboard of ClickView Online.

What would you like to teach? Saved searches

Subject	▼	Year level	▼	Strand	▼	Sub-strand	▼	Code	▼
---------	---	------------	---	--------	---	------------	---	------	---

Always use ClickView Online to search & save your results to a Playlist.
